## Advantages

BellCount S615 is the star of a new banknote counting machine era.

The advanced state-of-the-art features and technology combined with simple, intuitive operation makes S615 the superior choice.

High reliability and quality at an attractive price level are characteristics of S615. The easy access to all parts of the banknote path makes routine maintenance easy to perform. Software updating is straightforward to do.

## Warranty

12 months against all defects in material and labour.

## Benefits

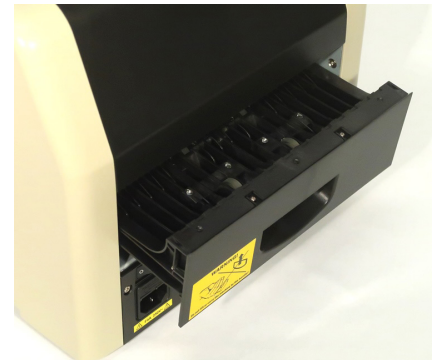

BellCount S615 saves time and money by automated and intuitive operation and high-speed operation.

Costs are cut by performing detection, counting and sorting simultaneously. Even the note quality is checked. The reject pocket ensures that the note processing is uninterrupted. No stops required.

The compact, attractive design, and pleasant noise level, benefits every modern office environment. The large display with touch screen operation makes it a daily pleasure to work with BellCount S615.

## Approvals

RoHS compliant and CE marked.

The rear service drawer gives access for cleaning but also serves as a dust tray.
